Dev Note — Graphic Design Page

Page: doranax-mockup.vercel.app/advertising-graphic-design.html

Task: Add 2 new service containers **just above** the "Vehicle Graphics" listing section (see red arrow marker on reference screenshot — attached below).

Container 1: Graphic Design Services

- Packaging
- POS
- Brochures
- Leaflets/Direct Mail
- Canva/Adobe Templates

Container 2: Brand Design Services

- Primary Logo
 - Secondary Logo
 - Colour Palette
 - Typography
 - Brand Guidelines
-

Styling (match brand reference)

- Cards: rounded containers rounded corners ~24px
- List items: regular weight, dark grey, left-aligned
- Section heading "Services" above the two cards, large serif
- Layout: 2 cards side by side, generous padding, matches existing card style used elsewhere on site

See attached reference screenshot for exact layout/colours, and second screenshot showing exactly where on the live page it needs to go.

Also add: Contact us underneath, which should anchor to the contact us section on the page
